Mary, thanks for the reply. Can you confirm either now or by the end of the day that the 12/2 mtg is still on? The reason I ask is if there aren't enough people who have committed to attend the mtg..., I won't bother either moving my commitments around, or showing up at Gunderson to find we don't have a quorum.

Hi, Jim and everyone. My apologies to all of you for the late notice of this meeting. We had a miscommunication about who was to notify you. I chagrined that you were notified so late and I apologize.cha

We have added you to our "interested parties" database and so you should receive timely notices in the future. In fact, we hope to have the next few monthly meetings scheduled this week.

Thanks for your interest, and I hope to meet you soon. Warm regards, Mary Orton

Lea,

I see your apology, but this really is a very late notice to attend an essentially all-day mtg. I hope you'll be able to give a much longer advance notice next time. I'll see if I can switch some commitments I have tomorrow, but right now I'm not sure I'll be able to attend.
